MEMORANDUM FOR: Assistant Deputy Director (Administration)

THRU : Chief, O&M Services

SUBJECT : Revision of CIA [REDACTED]

25X1A

1. Recent discussions in connection with the O/TR budget hearings brought out the fact that the statement of mission and functions of the Office of Training which was approved on 18 April 1951 as page 3A of [REDACTED] lacked clarity and definition and does not adequately reflect the mission and functions of the Director of Training.

25X1A

2. The only way in which an adequate statement of mission and functions for this Office can be made official is by rescision of page 3A in the current issue of [REDACTED] and the substitution, therefore, of a new statement.

25X1A

25X1A

3. Attached hereto is the revised statement for substitution as page 3A of [REDACTED]. It is requested that you approve the attached statement and cause it to be issued as rescinding page 3A dated 18 April 1951 of the current CIA [REDACTED]
